A Word from our Founder

Dear friends,

Imibala's Gallery is a gallery with a difference...

Any money that is made from the sale of the art is donated to the Imibala Trust to buy school uniforms for needy children from the most impoverished schools. To be able to go to school with a new school uniform, shoes and stationery gives a child dignity and self-esteem which in turn improves the child's academic achievements.

Thank you for supporting the gallery and thank you from the Imibala children.

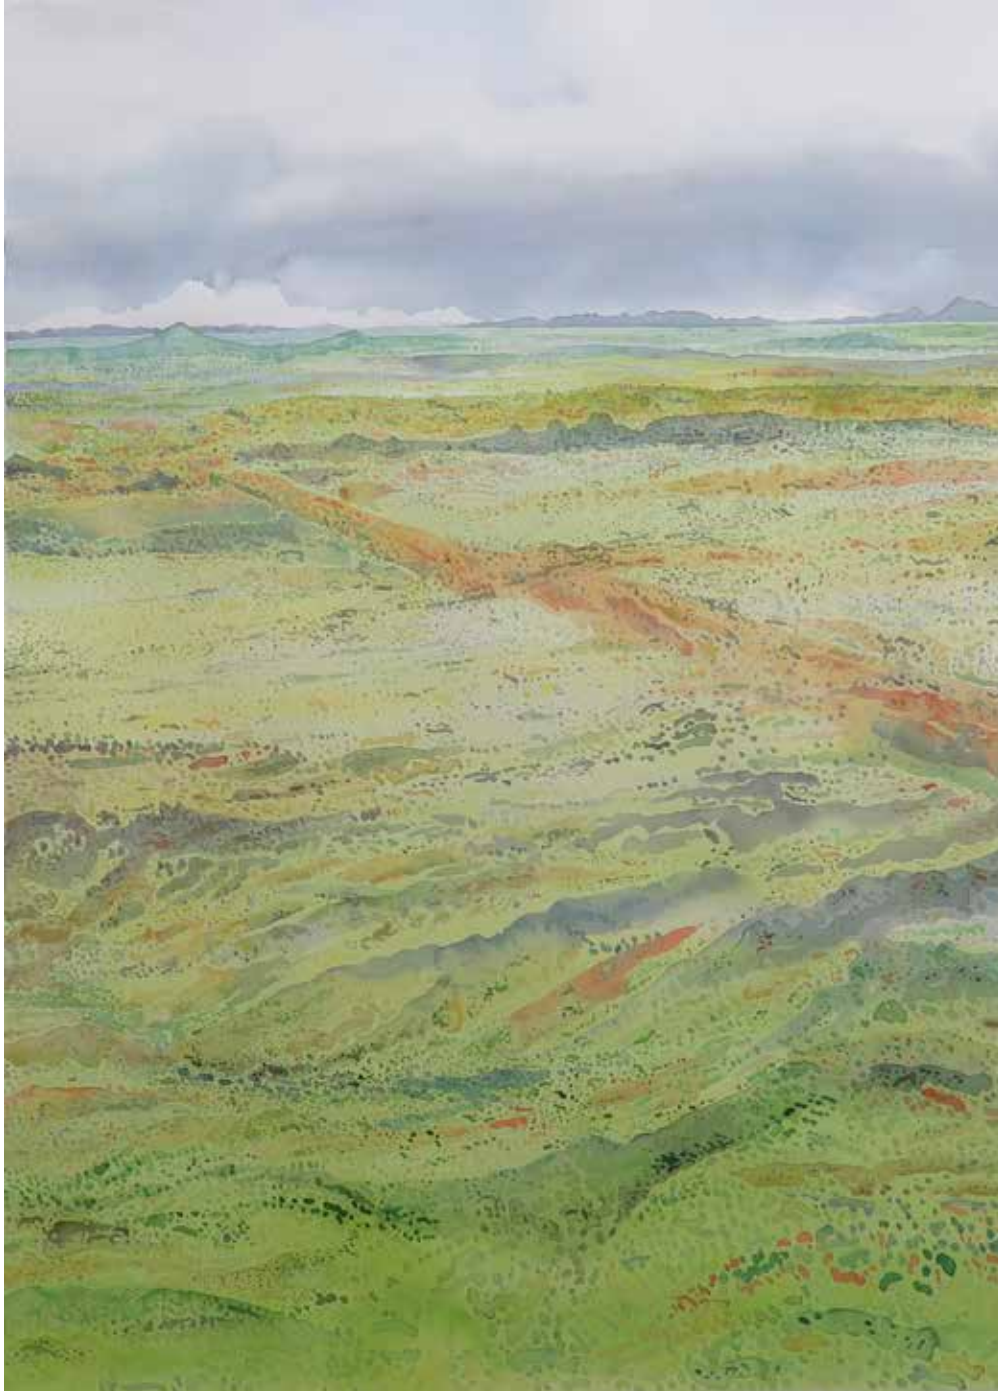

We have clothed 2364 children so far this year and hope we can reach 2500 after this exhibition.

Kind regards,
Gaynor Rupert

Brahm van Zyl's Heritage Watercolour Collection of the Meiringspoort Drifts

All the drifts have specific names and a history or story behind each name...

Five Limited Edition Giclee prints are available for each Original Watercolour painting.

Each Giclee print is half the price of the Original Watercolour painting.

A Giclee print is a specialised print – it is virtually impossible to see the difference between the original and the print.
